

RHODONITE

COMPANY PROFILE QUOTATION

Company Profile Content & Design Development

PREPARED FOR	Tajir Holding
PREPARED BY	Rhodonite
ENGAGEMENT	Company Profile Content & Design Development
COMMERCIAL MODEL	Fixed project fee — 60% advance / 40% on delivery
DELIVERY TIMEFRAME	7 to 10 working days
QUOTATION DATE	02 October 2026

COMMERCIAL SUMMARY

ETB 60,000

Before VAT • VAT 15%: ETB 9,000 • Total project value: ETB 69,000 incl. VAT

1. Scope of Work

Rhodonite will develop Tajir Holding's company profile end to end — from structuring and writing the content to designing a polished, brand-aligned document that presents the group's identity, portfolio and capabilities to partners, investors and clients.

60K	15%	60%	40%	7–10
ETB fee before VAT	VAT applied	Advance payment	Balance on delivery	Working days

Scope included in the project fee

SERVICE	INCLUDED RESPONSIBILITY
Discovery & brief	Kick-off session to confirm objectives, audience, tone and key messages; review of existing materials and brand assets.
Content structure	Page flow covering overview, vision, mission & values, leadership message, business units, capabilities, milestones and contacts.
Copywriting & editing	Professional English copywriting and editing of all sections in a confident corporate tone, based on information supplied.
Design & layout	Cover, visual direction and full page layouts aligned with Tajir Holding's brand — typography, colour, icons, infographics and imagery.
Revisions	Up to two consolidated revision rounds on content and design.
Final delivery	Print-ready high-resolution PDF and an optimized digital PDF for email and web.

Indicative delivery schedule

TIMELINE	ACTIVITY
Days 1–2	Kick-off, content brief, information gathering and content outline approval.
Days 3–5	Copywriting and first design draft (cover, visual direction and full page layouts).
Days 6–8	Consolidated client feedback and revision rounds on content and design.
Days 9–10	Final proofreading, artwork finalization and delivery of final files.

Timeframe starts upon receipt of the advance payment and the required content inputs.

Client responsibilities

- Provide company information, business unit details, key figures and any existing profile material.
- Provide brand assets (logo, guidelines) and approved photographs of projects, facilities and leadership.
- Assign one focal person for consolidated feedback and approvals within one to two working days.

Not included in the project fee

- Printing and binding; professional photography, videography or drone shoots.
- Paid stock images, translation into additional languages, new brand-identity or website development.

2. Professional Fee & Payment Terms

DESCRIPTION	QTY	UNIT FEE	TOTAL
Company profile content & design development	1 project	ETB 60,000	ETB 60,000
VAT (15%)			ETB 9,000
TOTAL PROJECT VALUE			ETB 69,000

Payment schedule

MILESTONE	FEE (BEFORE VAT)	VAT 15%	AMOUNT PAYABLE
60% Advance	36,000	5,400	41,400 ETB
40% Balance	24,000	3,600	27,600 ETB
Total	60,000	9,000	69,000 ETB

Payment terms

- 60% advance payment (ETB 36,000 + VAT = ETB 41,400) is due upon acceptance of this quotation; work commences upon receipt of the advance.
- The remaining 40% balance (ETB 24,000 + VAT = ETB 27,600) is due upon final approval and before handover of the final files.
- The quoted professional fee is ETB 60,000 before VAT. Ethiopia's standard 15% VAT is added to each invoice where applicable.
- Delays in client inputs or approvals may shift the delivery date without affecting the agreed fee.
- Any work outside the agreed scope will be estimated and approved separately before execution.

Commercial conditions

- Revisions: up to two consolidated revision rounds; additional rounds or major changes in direction after approval may require re-scoping.
- Approval window: Tajir Holding should provide consolidated feedback within one to two working days where possible.
- Ownership: final approved files are handed over to Tajir Holding upon full settlement of the project fee.
- Quotation validity: 15 calendar days from the quotation date.
